

The 5 P's

FIVE STEPS
to help you
deepen your
understanding of
God's Word and
apply it to your
daily life.

1

PASSAGE:

Memorize a meaningful Scripture verse or passage from the chapter or book of the Bible you are studying.

2

POINT:

Determine the most important main thought contained within the verse or passage.

3

PONDER:

Meditate on the verse or passage by rolling over in your mind how the Word of God applies to you in your present state.

4

PRAYER:

Pray about what this Scripture has taught you. It is important that God hears our voice and that we give Him permission to change us according to His Word.

5

PROFESSION

Profess aloud what you have learned and how it will change you. In speaking what He declares over us, our spirit, soul, and body come into alignment with His will for us, which is the proven way to experience life to the fullest.
